An aerial night photograph of a modern, single-story building with a dark, gabled roof and light-colored vertical wood siding. The building is illuminated from within, and several small, square, recessed lights are visible on its exterior walls. To the left of the building is a large, rectangular swimming pool with a wooden deck. A person is sitting on the edge of the pool. To the right of the building is a paved area where a dark-colored car is parked. The scene is set at night, with the building and pool providing the primary light sources.

Bescherming

Extra bescherming van het huis met krimpfolie tijdens transport

- -Beschermt uw huis tegen takken over de weg (geen krassen)
- -De woning wordt schoon bij u afgeleverd
- -Gevelelementen die gevoelig zijn voor harde wind zijn veilig (de folie zorgt voor een coating waarbij de wind zich over de hele muur verspreidt en niet blijft plakken, bijvoorbeeld een wandlamp)
